3. We will have seating on the floor area. Please do not move the chairs to a different location.

7. It would be greatly appreciated if coaches could please make sure their team cleans up their “camp” area.
8. Spectators are not allowed to sit or stand anywhere along the wall behind a baseline, including a distance of 8ft extended from the sidelines. This is a playable area and the players must be allowed ample space to play without possible interference or risk of injury.
9. We are a SMOKE -FREE campus. No smoking anywhere on the grounds or in the parking lot.
10. Coaches/Tournament Directors, it is your responsibility for your players, spectators and parents to know the rules of the facility. We wish to avoid any conflict arising when our staff must have to enforce these rules. Thank you.

Special rules for this tournament: Each team will play two sets (games) to 25 starting at 7. Team with the best set record is the Champion. If records are tied in pool and teams are tied Head-Head, teams will have a one set playoff to 15 to determine the winner, starting at zero.

Warm-up:

Warm-up will be 1-3-3 (1 min shared ball handling, 3 min for serving team, 3 min for receiving team). The 3 min includes your serving time. Officiating/work team must call for team captains immediately and start warm-up upon completion of previous match.

Serving: All players are allowed a “Mulligan Serve” if they miss their 1st serve only. This will be a 2nd chance serve. If they miss both, they have lost that turn of service. If you make your first serve and score, then miss your second serve, your turn at service is over for that rotation. Players may start at the 1st cone/line, if they make three in a row they must move back to the next cone, if they make three in a row over, they move back to the next cone and continue until they reach the baseline. This is for under or overhand serving. Foot faults will be called. Stepping on or over the service line prior to contact is a foot fault.

Three Contacts: Teams may not send the ball over on the 1st or 2nd contact, if they do, they will lose the point and it will be the other teams serve. This rule encourage team play and movement, not one player dominating the ball and sending it over just to get a point. It will also help toward better ball control and the next level of play at the higher grades. Even if it is an “accident”, it is a loss of the point.

Awards:

First place will receive medals for having the best set record. If there is a two-way tie between teams and they split in pool play or did not play, there will be one playoff game to 15 to determine the Champion.

1st and 2nd place **awards** for the teams who have the most “three” contacts. **In all games** the coach will give 1 tally point (separate from the scoreboard points) when their team gets threes contacts but does not go over, and 2 tally points for three contacts that go over and are in bounds, total tally points at the end of the tournament wins.
